Cost/Cancellation Policy: The Data Training sessions are free. There is no cancellation or refund policy for individuals who are unable to attend.

Contact hours/Continuing Education Credit:

Attendees will be eligible for contact hours through the Mid-Coastal California Perinatal Outreach Program (MCCPOP). MCCPOP is approved as a provider of continuing education by the California Board of Registered Nurses, Provider #3104. This course has been approved for up to 1.5 contact hours for the 90-minute events and 1.0 contact hours for the 60-minute events. Attendees must remain on the webinar for the entire time and fill out an evaluation to receive contact hours.

Contact hours are tracked during "live sessions" only and will be distributed at the end of the Data Training sessions. Please make sure that everyone on your team registers individually and attends the entire live session to receive credit. For those of you who'd like to attend together as a group, reach out to contactmccpop@stanford.edu to receive a sign in sheet that must be reviewed and approved after the session, by an educator or supervisor, as proof of attendance.
