

## CPQCC MEMBERSHIP FEES

Our goal is to ensure that every hospital that is interested in participating in CPQCC can do so. We strive to charge fees that are fair, affordable, and consistent with the value that our members receive.

Our annual membership fees are determined by the average annual NICU admissions of each member hospital over the past three years as follows:

ANNUAL NICU ADMISSIONS (3 YR AVERAGE)	FEE PER SITE (2024)
Bottom quintile	\$14,853
Middle two quintiles	\$15,914
Top two quintiles	\$17,505

**Invoices for annual membership fees will be sent in September for payment by February 1<sup>st</sup> of the following year.** Centers who have not paid their membership dues by February 1<sup>st</sup> will be subject to a late fee of \$300. Payment is due upon receipt of the late fee invoice. If payment is more than 30 days overdue, the late payment fee will increase to \$500.
