

CPQCC MEMBERSHIP FEES

Our goal is to ensure that every hospital interested in participating in CPQCC can do so. We strive to charge fees that are fair, affordable, and consistent with the value that our members receive.

Annual membership fees are determined by the average annual NICU admissions of each member hospital over the past three years, as follows:

ANNUAL NICU ADMISSIONS (3-YEAR AVERAGE)	FEE PER SITE (2027)
Bottom quintile	\$16,800
Middle two quintiles	\$18,100
Top two quintiles	\$19,800

Invoices for annual membership fees will be sent in September, with payment due by February 1 of the following year. Centers that have not paid their membership dues by February 1 will be subject to a late fee of \$300. Payment is due upon receipt of the late fee invoice. If payment is more than 30 days overdue, the late payment fee will increase to \$500.

If you have any questions about CPQCC's membership fees, please contact Rebecca Robinson, Administrative Director, at rrobinso@cpqcc.org or Jessica Washington, Administrative Associate, at jwash11@stanford.edu.
