The screenshot shows the California Department of Health Care Services website. The header includes the CA.GOV logo, the text 'CALIFORNIA DEPARTMENT OF Health Care Services', and navigation links for 'Contact Us', 'Career Opportunities', and 'Help'. Below the header is a search bar and a main navigation menu with categories like 'HOME', 'SERVICES', 'INDIVIDUALS', 'PROVIDERS & PARTNERS', 'FORMS, LAWS & PUBLICATIONS', and 'DATA & STATISTICS'. The breadcrumb trail reads 'Home > Services > California Children's Services > Special Care Centers'. The main content area is titled 'Special Care Centers' and includes a description: 'Special Care Centers (SCC) provide comprehensive, coordinated health care to California Children's Services (CCS) and Genetically Handicapped Persons Program (GHPP) clients with specific medical conditions. SCCs are organized around a specific condition or system. SCCs are comprised of multi-disciplinary, multi-specialty providers who evaluate the client's medical condition and develop a family-centered health care plan to facilitate the provision of timely, coordinated treatment.' Below the description is a list of links: 'Look up by SCC Type', 'Look up by CCS Approved Hospital Name' (with a black arrow pointing to it), and 'Updates' (with a black arrow pointing to it). A 'RESOURCES' sidebar on the right lists various links such as 'About DHCS', 'ACA Questions & Answers', 'Affordable Care Act (ACA)', 'All Programs & Services', 'Calendar of Events', 'DHCS A-Z Index', 'Laws & Regulations', 'Medi-Cal Waivers', 'Privacy & HIPAA', 'Stakeholder Engagement Initiative', and 'Steps to Medi-Cal'. At the bottom left, the text 'Website Link:' is followed by the URL <http://www.dhcs.ca.gov/services/ccs/scc/Pages/default.aspx>.
